

Terms and Conditions

These Terms and Conditions apply to all orders placed through the Vesta online shop. This is a generic sample document for demonstration purposes and does not constitute legal advice.

1. Scope

The following Terms and Conditions, in the version valid at the time of the order, apply exclusively to the business relationship between Vesta (the "Provider") and the customer. Conflicting terms of the customer are not recognised unless the Provider expressly agrees to them in writing.

2. Conclusion of Contract

The presentation of products in the online shop does not constitute a legally binding offer but an invitation to order. By clicking the order button, the customer makes a binding offer to purchase the goods in the shopping cart. The contract is concluded once the Provider confirms the order.

3. Prices and Shipping Costs

All prices include statutory VAT. In addition to the stated prices, shipping costs and fees for the selected payment method may apply. These are shown separately during the ordering process.

4. Payment Terms

The customer may choose between the payment methods offered during checkout. Payment is due upon completion of the order. If a paid payment method is selected, the corresponding fee is included in the total amount.

5. Delivery

Delivery is made to the shipping address provided by the customer. Information on delivery times is non-binding unless a binding delivery date has been expressly agreed. Partial deliveries are permitted where reasonable for the customer.

6. Right of Withdrawal

Consumers have the right to withdraw from the contract within fourteen days without giving any reason. The withdrawal period is fourteen days from the day on which the customer took possession of the goods. A clear statement to the Provider is sufficient to exercise the right of withdrawal.

7. Retention of Title

The delivered goods remain the property of the Provider until the purchase price has been paid in full.

8. Warranty

The statutory warranty rights apply. Obvious defects must be reported to the Provider within a reasonable period after receipt of the goods.

9. Data Protection

The Provider processes the customer's personal data exclusively within the framework of applicable data protection regulations and only to the extent necessary to process the order.

10. Final Provisions

Should any provision of these Terms be invalid, the validity of the remaining provisions shall remain unaffected. The law of the Provider's country of registration applies, excluding the UN Convention on Contracts for the International Sale of Goods.
